ROCK-STAR Lx™
INTERNET JUKEBOX

Expand your idea of what a jukebox can do with the Rock-Ola Rock-Star Lx. The extra-large touchscreen of this wall-mounted Internet jukebox calls you from across a crowded room and invites you to interact with its spectacular split screen display. The hundreds of thousands of fan-pleasing tracks are pumped out through a professional-grade amplifier. Rock-Star Lx now comes with smaller, cleaner internals, allowing easier access to vital electronic parts. Our dedicated technical support team guarantees the party keeps jumping late into the night.

STANDARD FEATURES:

- Extended monitor featuring dynamic promotional windows
- Dynamic lighting with adjustable LED patterns
- New core electronics include mini-ITX motherboard, integrated I/O board, and power supply delivering better graphics and faster CPU
- New 320GB hard drive ships installed with all genres
